

Međunarodni Simpozijum I kategorije

**Savremeni pristupi u primeni matičnih ćelija,
transplantaciji organa i organizaciji
službe hitne pomoći - saradnja lekara
Beograda i lekara iz dijaspore**

International Symposium of the 1st category

**Current approaches for the application of stem cells,
transplantation of organs and the organization of
emergency services - cooperation between
medical doctors from Belgrade and diaspora**

Beograd, Hyatt Regency, 12 – 13. maj 2016.

Belgrade, Hyatt Regency, May 12 – 13th, 2016

SUPERLAB[®]
Your Lab - Our Passion

Organizatori:

Udruženje transfuziologa Srbije
Udruženje za transplantaciju matičnih ćelija hematopoeze
Odbor za kardiovaskularnu patologiju SANU
Organizaciju simpozijuma podržava Regionalna lekarska komora Beograda

Organisers:

Transfusion medicine association of Serbia,
Association for hematopoietic stem cell transplantation
SASA's Board of Cardiovascular Pathology
The organisation of the symposium is supported by the
Regional Medical Chamber of Belgrade

Naučni odbor:

Predsednik: prof. dr Bela Balint, dopisni član SANU
Članovi: akademik Vladimir Kanjuh, akademik Miodrag Ostojić,
prof. dr Mihael Podvinec, prof. dr Nebojša Stanković,
prof. dr Miljko Ristić, prof. dr Đoko Maksić, prof. dr Milena Todorović Balint,
prim. dr sc. med. dr Snežana Jovanović Srzentić

Scientific committee:

President: prof Bela Balint, corresponding member of SASA
Members: academician Vladimir Kanjuh, academician Miodrag Ostojić,
prof Mihael Podvinec, prof Nebojša Stanković,
prof Miljko Ristić, prof Djoko Maksić, prof Milena Todorović Balint,
prim Snežana Jovanović Srzentić, MD PhD

Generalni sekretari:

dr Glorija Blagojević
dr Ivana Radović

General secretars:

Glorija Blagojević, MD
Ivana Radović, MD

PROGRAM

Četvrtak, 12. maj 2016.
Thursday, May 12th, 2016

9:00–9:10

Pozdravne reči:

Prof. dr **Olga Popović,**

Predsednik Regionalne lekarske komore Beograda

Prim. dr **Vesna Jovanović,**

Predsednik Lekarske komore Srbije

Predstavnik Ministarstva zdravlja

Welcome addresses:

Prof **Olga Popović,**

President of Regional Medical Chamber of Belgrade

Prim. dr **Vesna Jovanović,**

President of Medical Chamber of Serbia

Representative of Ministry of Health

SESIJA 1:

MATIČNE ĆELIJE I NJIHOVA PRIMENA U TERAPIJI
Stem cells and their therapeutic application

9:10–9:15

Otvaranje Simpozijuma matične ćelije

moderator, prof. dr **Bela Balint,** dopisni član SANU

Opening of the Stem Cell Symposium

moderator, prof **Bela Balint,** corresponding member of SASA

9:15–9:25

Obraćanje skupu – Akademik **Vladimir Kanjuh,**

Predsednik Odbora za kardiovaskularnu patologiju SANU

Introductory remarks – Academician **Vladimir Kanjuh,**

President of the SASA's Board of Cardiovascular Pathology

9:25–9:40

Uvodno predavanje: Prof. dr **Bela Balint,** dopisni član SANU

**Matične ćelije – prikupljanje, ex vivo manipulacija i
klinička primena**

Introductory lecture: Prof **Bela Balint,**

Corresponding member of SASA

**Stem cells – collection, ex vivo manipulation,
and clinical application**

- 09:40–10:00 Predavanje: Prof. dr **Aleksander Seifalijan** (Velika Britanija)
Primena matičnih ćelija – aktuelizacija savremnog znanja
 Lecture: Prof **Aleksander Seifalian** (United Kingdom)
Stem cell application – actualization of recent knowledge
- 10:00–10:30 Predavanje: Prof. dr **Mirjana Pavlović** (SAD)
Koncept kancerske matične ćelije
 Lecture: Prof **Mirjana Pavlović** (USA)
Cancer stem cell concept
- 10:30–11:00 Predavanje: Prof. dr **Zoran Ivanović** (Francuska)
Biologija i klinika matičnih i progenitorskih ćelija hematopoeze umnoženih u kulturi za transplantaciju
 Lecture: Prof **Zoran Ivanović** (France)
Biology and clinics of ex vivo expansion of hematopoietic stem and progenitor cells
- 11:00–11:30 Predavanje: Prof. dr **Mirjana Maletić-Savatić** (SAD)
Matične ćelije mozga, njihova uloga i detekcija u mozgu odraslih ljudi
 Lecture: Prof **Mirjana Maletić-Savatić** (USA)
Neural stem cells, their role and detection in the adult human brain
- 11:30–12:00 **Okrugli sto/ Diskusija**
 Moderator: Prof. dr **Bela Balint** – dopisni član SANU
Round Table/ Discussion
 Moderator: Prof **Bela Balint**, corresponding member of SASA
- 12:00–13:00 **Sponzorska predavanja Acibadem**
Acibadem's sponsored lectures
 Prof **Siret Ratip**
Indications of haploidentical transplantation
 Prof **Remzi Emiroğlu**
The Liver transplantation in Turkey: Criteria, techniques, longterm and short term results

SESIJA 2**TRANSPLANTACIJA ORGANA I TKIVA U SRBIJI****Organ and tissue transplantation in Serbia**

- 13:00 – 13:15 Uvodno predavanje: Prof. dr **Nebojša Stanković**,
VMA (Beograd, Srbija)
Razvoj transplantacije organa u Srbiji
Introductory lecture: Prof **Nebojša Stanković**,
Medical Military Academy, (Belgrade, Serbia)
The development of organ transplantation in Serbia
- 13:15 -13:45 Predavanje: Prof. dr **Miljko Ristić**, KCS (Beograd, Srbija)
Uloga uređaja za mehaničku potporu cirkulaciji levom srcu kod pacijenata sa terminalnim stadijumom srčane insuficijencije – Iskustvo Kliničkog centra Srbije
Lecture: Prof **Miljko Ristić**,
Clinical Center of Serbia (Belgrade, Serbia)
Role of left ventricular assist device therapy for patients with end-stage Heart Failure –experience of Clinical Center of Serbia
- 13:45 -14:15 Predavanje: Dr **Emilija Nestorović**, KCS (Beograd, Srbija)
Dvogodišnje iskustvo transplantacije srca u Kliničkom centru Srbije
Lecture: **Emilija Nestorović** MD, Clinical Center of Serbia
(Belgrade, Serbia)
Two – years experience in Heart transplantation in Clinical Center of Serbia
- 14:15-14:45 Predavanje: Prof. dr **Djoko Maksić**, VMA (Beograd, Srbija)
Lecture: Prof **Djoko Maksić**,
Medical Military Academy (Belgrade, Serbia)
Expanded criteria donors in function of the increased number of cadaveric kidney transplantation at the Military Medical Academy in Belgrade
- 14:45 -15:15 Predavanje: Prof. dr **Zoran Milošević**, KCV (Novi Sad, Srbija)
Transplantacija jetre u Srbiji
Lecture: Prof **Zoran Milošević** Clinical Center of Vojvodina
(Novi Sad, Serbia)
Liver transplantation in Serbia

- 15:15- 15:45 Predavanje: Doc. **Aleksandar Tomić**, VMA (Beograd, Srbija)
Transplantacija bubrega u Srbiji
 Lecture: Ass. prof **Aleksandar Tomić**,
 Medical Military Academy (Belgrade, Serbia)
Kidney transplantation in Serbia
- 15:45 -16:15 Predavanje: Mr sc. **Ružica Simonović**, molekularni biolog,
 Institut za transfuziju krvi Srbije
Sistem HLA i transplantacija organa
 Lecture: Msc **Ružica Simonović**, molecular biolog,
 Blood Transfusion Institute of Serbia
HLA system and organ transplantation
- 16:15 – 17:00 **Okrugli sto/ Diskusija**
 Moderator: Prof. dr **Nebojša Stanković**, VMA (Beograd, Srbija)
Kako unaprediti program transplantacije organa u Srbiji?
Round table/Discussion
 Moderator: Prof **Nebojša Stanković**,
 Medical Military Academy (Belgrade, Serbia)
How to improve program of organ transplantation in Serbia?

Petak, 13. maj 2016
Friday, May 13th, 2016

**SESIJA 3: ORGANIZACIJA HITNE MEDICINSKE POMOĆI
 U URGENTNIM KARDIO I CEREBROVASKULARNIM STANJIMA**
**Organisation of emergency medical care in cardio and
 cerebrovascular events**

- 09:00 - 09:15 Pozdravna reč: Akademik **Miodrag Ostojić**, član SANU
 Welcome address: Academician **Miodrag Ostojić**,
 Member of SASA
- 09:15 - 09:45 Uvodno predavanje: Prof. dr **Branko Beleslin**,
 KCS (Beograd, Srbija)
***Savremeni koncept zbrinjavanja urgentnih kardioloških i
 cerebro-vaskularnih stanja u Srbiji***
 Introductory lecture: Prof **Branko Beleslin**,
 Clinical Center of Serbia, (Belgrade, Serbia)
***Contemporary concept of emergency care in urgent
 cardiological and cerebrovascular incidents in Serbia***

- 09:45 - 10:15 Predavanje: Dr **Thomas Kamber** (Švajcarska)
Organizacija transporta bolesnika sa hitnim kardio i cerebrovaskularnim stanjima
Lecture: **Thomas Kamber**, MD,
Medical Director of EMS Kantonsspital Aarau (Switzerland)
Organisation of emergency services and cooperation with stroke units in Switzerland
- 10:15 -10:45 Predavanje: Dr **Olivera Potparić** (London, Velika Britanija)
Lecture: **Olivera Potparić**, MD (London, Great Britain)
Emergency Stroke Care- UK experience, what really matters?
- 10:45 – 11:15 Predavanje: Akademik **Miodrag Ostojić**, član SANU
Lečenje akutnog koronarnog sindroma (AKS) u Srbiji: koliko smo blizu evropskim preporukama?
Lecture: Academician **Miodrag Ostojić** Member of SASA
Treatment of Acute Coronary Syndrome (ACS) in Serbia: is it concordant with European guidelines?
- 11:15-11:45 Predavanje: N. sar. dr sc. med. **Slađana Anđelić**,
Gradski zavod za hitnu medicinsku pomoć, Beograd, Srbija
Hitna medicinska pomoć Beograd: juče, danas, sutra u zbrinjavanju AKS i AMU
Lecture: **Slađana Andjelić**, Ass. prof.,
Municipal Emergency Medical Services, Belgrade, Serbia
Emergency medical services of Belgrade: yesterday, today, tomorrow
- 11:45-12:30 **Okrugli sto/ Diskusija**
Moderator: Akademik **Miodrag Ostojić**, član SANU
Round table/ Discussion
Moderator: Academician **Miodrag Ostojić**, Member of SASA
- 12:30-13:00 **Pauza/ Break**

OKRUGLI STO: SARADNJA SA DIJASPOROM: ISKUSTVA I PREDLOZI
ROUND TABLE: Cooperation with diaspora: experiences and suggestions

Moderator: Prof. dr **Mihael Podvinec** (Švajcarska)

Moderator: Prof **Mihael Podvinec** (Switzerland)

- 13:00 -13:20 Uvodno predavanje: Prof. dr **Mihael Podvinec** (Švajcarska)
Uvod u diskusiju okruglog stola o sradnji sa dijasporom – petnaestogodišnje iskustvo
Introductory lecture: Prof. **Mihael Podvinec** (Switzerland)
Introduction to the round table discussion on the cooperation of the diaspora with physicians in Serbia– 15 years's experience
- 13:20 -13:40 Dr **Olivera Potparić** (London, Velika Britanija)
Nije bitno koliko se sporo krećemo. Bitno je ne zaustaviti se na putu kojim idemo. Britansko srpsko udruženje lekara- naše postojanje, naš put, šta je stvarno bitno?
Dr **Olivera Potparić** (London, Great Britain)
It does not matter how slow you go as long you do not stop - British Serbian Medical Association (BSMA) The journey we travel, what really matters?
- 13:40 – 14:00 Akademik **Rajko Igić** (SAD)
član Akademije nauka i umetnosti Republike Srpske
Edukacija mladih istraživača: pomoć naučnika iz dijaspore
Academician **Rajko Igić** (USA),
Member of the Academy of Sciences and Arts,
Republic of Srpska
Education of young investigators: help of scientists from diaspora
- 14:00 -14:20 Prof. dr **Mirjana Pavlović** (SAD)
Pomoć u publikovanju knjiga s aktuelnim temama u biomedicinskim istraživanjima: šta treba uraditi?
Prof **Mirjana Pavlović** (USA)
Help in book publishing with emphasis on actual topics in biomedical research: what we are to do ?

- 14:20 -14:40 Prof. dr **Zoran Ivanović** (Francuska)
Istraživački projekti mladih lekara i biomedicinskih stručnjaka, master i doktorski radovi u Francuskoj: studijski boravci i zajednički mentorski rad francuskih i srpskih univerziteta; post-doktorske studije
Prof **Zoran Ivanović** (France)
Research projects of young medical doctors and biomedical scientists, master and PhD thesis in France: fellowships and „co-tutelle“ between French and Serbian universities; post-doctoral fellowships
- 14:40 - 15:00 Prof. dr **Mirjana Savatić Maletić** (SAD)
Letnja obuka u Hjustonu
Prof **Mirjana Savatić Maletić** (USA)
Summer internship in Houston
- 15:20 - 16:30 **Diskusija/ Discussion**
Moderator: Prof. dr **M. Podvinec**
Šta dijaspora može da uradi za lekare u Srbiji? Kako se angazuju Lekarska komora?
Moderator: Prof **M. Podvinec**
What can the diaspora do to help young physicians in Serbia? What is the role of the Medical chamber?

***Međunarodni simpozijum I kategorije
odlukom Zdravstvenog saveta Srbije broj A-1-80/16
15 bodova za predavače i
9 bodova za pasivno učešće***

***International Symposium of the 1st category according to the
decision of Health Council of Serbia, number A-1-80/16
15 points for lecturers and
9 points for passive participation***

Perfekcija u zdravstvu

Svake godine više od 3.500.000 pacijenata iz celog sveta poseti Adžibadem Zdravstvenu Grupaciju radi lečenja. Još od 1991. godine Adžibadem je najcenjenija privatna zdravstvena grupacija u Turskoj koja pruža sveobuhvatnu dijagnostiku i usluge lečenja sa profesionalnim timom najvišeg kalibra uz pomoć najsavremenije medicinske tehnologije, snažne infrastrukture i po standardima odobrenim od strane JCI-a.
